

UNIVERSITY OF WISCONSIN-MADISON

Initiative in Social Genomics

Under the leadership of eight faculty members representing six different departments and schools, the Initiative in Social Genomics (ISG) brings together researchers and graduate students from across the UW campus to study the interactions between genes and the environment. Together, these interdisciplinary scholars aim to make UW the home of the largest and most innovative group of researchers pursuing topics in social genomics in the world.

CENTER FOR DEMOGRAPHY OF HEALTH & AGING

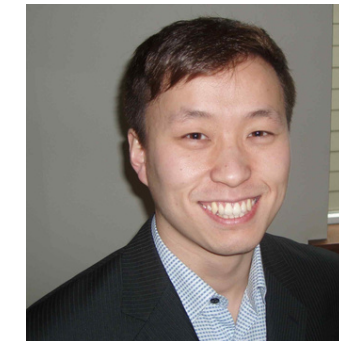

CORE FACULTY

Corinne Engelman
Professor
Population Health Sciences

Jason Fletcher
Professor
Public Affairs; Sociology

Hyunseung Kang
Assistant Professor
Statistics

Philipp Koellinger
Professor
Public Affairs

James Li
Assistant Professor
Psychology

Qiongshi Lu
Assistant Professor
Biostatistics & Medical
Informatics

Lauren Schmitz
Assistant Professor
Public Affairs

Sam Trejo
Assistant Professor
Public Affairs; Sociology

POSTDOCS, GRADUATE STUDENTS, & STAFF

Jereome Choi, Graduate Student, Population Health Sciences

Joseph Clark, Postdoctoral Researcher

Jingqi Duan, Graduate Student, Statistics

Shiro Furuya, Graduate Student, Sociology

Julia Goodwin, Graduate Student, Sociology

Jane Harney-Ralphe, Postdoctoral Research Associate, Nursing

Quanfa "Frank" He, Graduate Student, Clinical Psychology

Emily Hilton, Graduate Student, Clinical Psychology

Alexis Hosch, Research Specialist, Wisconsin Center for Educational Research

Sherry Huhn, Research Administrator, ISG & CDHA

Won-tak Joo, Graduate Student, Sociology

Tianchang Li, Research Specialist

Jose Martinez, Graduate Student, Cellular and Molecular Biology

Jiacheng Miao, VISP Graduate Student, Statistics

Hannah Olson-Williams, Graduate Student, Population Health Sciences

Lisa Parlato, Graduate Student, Population Health Sciences

Sarah Salas, Graduate Student, Sociology

Brooke Sasia, Graduate Student, Psychology

Annemarie Schweinert, Graduate Student, Economics

Michael Topping, Graduate Student, Sociology

Eva Vasiljevic, Graduate Student, Population Health Sciences

Gracie Venechuk, Graduate Student, Sociology

Sharon S. Wang, Lab Manager, Waisman Center

Sheng Wang, Graduate Student, Statistics

Yuchang Wu, Postdoctoral Researcher, Statistical Genetics

Yuexuan Xu, Graduate Student, Population Health Sciences

Qi Zhang, Graduate Student, Educational Psychology

Zijie Zhao, Graduate Student, Biomedical Data Science

Boyan Zheng, Graduate Student, Sociology

Fengyi Zheng, Undergraduate Researcher, Biostatistics

Xiaoyuan (Ethan) Zhong, Undergraduate Student, Mathematics;
Economics
